

# Garbage and Recycling Facilities

## Informational Open House Thursday, September 7

### Seattle Public Utilities

is planning major improvements to the City's facilities for handling garbage and recycling.

Come learn about the proposed changes. Drop in, talk to project staff, view displays, get answers to your questions.

**Open House  
4PM – 8PM**

**Delridge Community Center**

**4501 Delridge Way SW**

**West Seattle**

**Presentation repeated hourly**

**at 5 PM, 6 PM, 7 PM**

**Light refreshments provided**

### Seattle Public Utilities is planning to:

- Build a new, state-of-the-art intermodal transfer facility between the railroad tracks and Corgiat Drive in South Seattle, where garbage and other solid waste can be loaded from collection trucks onto trains for shipment to disposal sites; and
- Rebuild the north and south transfer stations at their current locations, using additional property adjacent to each site, to improve their customer service, and expand recycling and reuse.

For more information, please visit our website at [www.seattle.gov/util/About\\_SPU/](http://www.seattle.gov/util/About_SPU/) or contact Feloneze Harris at **206-733-9851** or email [swfmp.spu@seattle.gov](mailto:swfmp.spu@seattle.gov). Sign language or other translation and accommodations for people with disabilities provided on request.
